

## Non-Organic Ingredient Affidavit– WSDA Organic Program

This form is used to determine the compliance of a non-organic agricultural product for use as an ingredient within a product labeled as 'Organic' or 'Made with Organic'. An alternative format, such as a statement from the manufacturer or producer, may be used as long as it is provided by the manufacturer or producer of the ingredient and it includes all of the information requested within this form.

**This form must be completed by a qualified representative of the manufacturer or producer of the non-organic agricultural ingredient who is familiar with the relevant production practices.**

### General information

1. Specific name of ingredient: \_\_\_\_\_
2. Manufacturer or producer of ingredient: \_\_\_\_\_

### Excluded methods

Genetically modified organisms (GMO) are produced using a variety of methods such as recombinant DNA technology (gene deletion, gene doubling, introduction of a foreign gene, and changing the position of genes). These methods are prohibited for use and referred to as *excluded* methods by the National Organic Program.

3. Is this ingredient produced and handled **without** the use of excluded methods?  
☐ Yes ☐ No

### Ingredient and production information

4. Is this ingredient produced and handled **without** the use of ionizing radiation as described in [21 CFR 179.26](#)?  
☐ Yes ☐ No
5. Is this ingredient derived from products that were produced and handled **without** the use of sewage sludge in their agricultural production?  
☐ Yes ☐ No
6. **Citric acid:** Is all citric acid used in this ingredient produced by microbial fermentation of carbohydrate substances?  
☐ Yes ☐ No ☐ N/A, this ingredient does not include citric acid
7. **Yeast:** Is all yeast used in this ingredient non-synthetic and produced **without** the use of petrochemical substrate and/or sulfite waste liquor?  
☐ Yes ☐ No ☐ N/A, this ingredient does not include yeast
8. **Enzymes:** Are all enzymes used in this ingredient derived from edible, nontoxic plants, nonpathogenic fungi, or nonpathogenic bacteria?  
☐ Yes ☐ No ☐ N/A, this ingredient does not include enzymes

### Manufacturer or producer statement

By printing your name below and submitting this form you attest you are an authorized representative of the ingredient manufacturer or producer listed above who is knowledgeable in the relevant production practices and that the information included above is accurate and truthful to the best of your knowledge
